kanex

Premium performance charging power encased in a sleek and stylish aluminum finish. This durable yet slim profile easily fits in your pocket or bag so you always have power when you need it. Available in Gold and Space Gray.

Up to 2X Extra Battery

With a 8,000 mAh battery capacity, GoPower Plus can charge you iPhone 7 up to two times before it needs to be recharged.

Power Management + Protection

Smart charging technology provides your device with up to 2A of power for a quick charge while the built-in surge protection feature keeps your devices safe.

Lightning + Micro USB

Kanex GoPower Plus has a built-in micro USB cable plus an integrated Apple certified Lightning adapter so you can charge either iOS or Android devices without having to bring an additional cable.

An Extra USB Port

Need to also charge your camera, fitness tracker or wireless keyboard? Just connect a second cable. With 2A of charging power, GoPower Plus can charge 2 devices simultaneously.
