GoPower Pack™

Mobile Battery Pack with Built-in iPhone Stand

6,000 mAh | charges iPhone **x2**

11,000 mAh | charges iPhone **x4**

- 2 universal USB charging ports allow you to charge 2 devices at once
- Check power levels easily with the LED battery status indicator
- Includes a slide-out stand to prop up your smartphone while charging

Power To-Go

The Kanex GoPower Pack uses a compact Lithium-ion battery and is available in 2 capacities. For everyday power use, the 6,000 mAh can deliver up to 2 full charges to your iPhone 5c/5s. If you're a hard-core power user, the 11,000 mAh can deliver up to 4 full charges to your iPhone 5c/5s.

Whether you carry multiple devices or share with a friend the two universal USB charging ports allow you to charge 2 devices at once. Continue to use your favorite mobile devices while on the go.
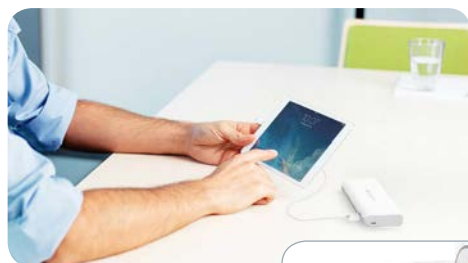

1.0A for iPhone **+** **2.1A** for iPad

Go With Style

Charge your phone and look good doing it. GoPower Pack's sleek design features an innovative slide-out stand that props up your phone so you can watch a movie while charging.

Go Anywhere

No outlet? No problem! GoPower Pack is perfect for business trips, road trips or simply when you're out and about with the kids. It begins charging as soon as you plug it in to your phone.
