

GoPower Watch Stand

Magnetic Charging Stand for Apple Watch and iPhone

- Apple Certified for use with Apple Watch
- Integrated magnetic Apple Watch charger
- Additional USB port charges iPhone simultaneously
- Elevates Apple Watch for convenient viewing angle
- Smart minimalist design – small footprint
- Powered with included DC adapter

With the Kanex GoPower Watch Stand, you can simultaneously charge and display your Apple Watch and iPhone. It comes integrated with the same inductive charging connector that comes with Apple Watch and can charge both the 38mm and 42mm models.

Bedside Charging

Kanex GoPower Watch Stand is ideal on your bedside table for safe, overnight charging. Simply place your Apple Watch on the stand. The magnetic charger securely holds your watch in place and automatically starts charging.

Charges Apple Watch and iPhone

Simply plug your charging cable into the USB port located on the back of your GoPower Watch Stand. Your iPhone and Apple Watch will charge simultaneously.

Integrated Inductive Charging

GoPower Watch Stand has the same magnetic inductive charging connector that comes with Apple Watch built-in and can charge both the 38mm and 42mm models.

Apple Certified

GoPower Watch Stand is Apple MFi Certified, which means it's specifically made to fit with your Apple Watch, so you can expect quality performance and reliability.
