### USB Power Deliver

USB Power Delivery (or USB-PD) is a new super-fast charging technology that not only delivers a powerful, rapid charge to your devices, but a safe one as well.

### Fast Charge

Uses fast charge to recharge iPhone X, iPhone 8 or iPhone 8 Plus up to 50% battery in 30 min.

### Built-In Circuit Protection

The GoPower USB-C Wall Charger with Power Delivery features overcurrent and circuit protection to ensure that your devices are protected while charging.

### Compact and Travel Ready

Features fold-down plug blades designed to make travel a cinch. No more worrying about puncturing your items, leaving marks on your clothes or bent plug blades.
