2.4 AMP + **5W**  
1 AMP + **5W**  
1 AMP

Quickly and easily charge three devices from the comfort of your vehicle with our 3-Port Car Charger. Designed to charge your smartphone and tablet quickly and safely without being an eye-sore thanks to its sleek and modern design.

The two 1 Amp ports are perfect for powering your iPhone and iPod while the 2.4 Amp USB port was designed for larger devices such as your iPad or GPS unit.

## Convenient Charging For Three

Quickly and safely charge three devices from the comfort of your vehicle. Capable of charging two iPhone's and one iPad or a combination of Android and other USB powered devices.

## Compact Power

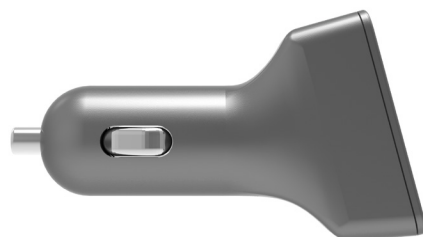

The 3-Port Car Charger is compact yet sports a powerful 2.4 Amp port that will Fast Charge your iPhone, Galaxy S and even iPad at the fastest possible speed. Perfect to power up your device on the next road-trip or on your way home from work.

## Style Meets Function

The sleek and modern design will help eliminate clutter and when it is no longer in use, simply store its compact size in your glove compartment or storage bin.

## Built-In Protection

The 3-Port Car Charger features over-current and circuit protection to ensure that your device is protected at all times while charging.

Built-in circuit and over charging protection
