

GoPower Sharable Car Charger

4-Port USB Car Charger for Passengers

- * Plugs into cigarette lighter providing 2 USB charging ports for driver and front passenger charging
- * Extended 2-port USB hub with attached 6ft cable allows backseat passengers to also charge
- * 2.4 Amps per port for the fastest possible charge
- * Charges iPhone, iPad and any other device that uses USB to charge

Front seat and back seat passengers can all continue using their devices while charging with the Kanex Shareable Car Charger - an innovative 4-Port USB car charger with a 6ft extended USB hub for convenient backseat charging.

Rapid Charging

The GoPower Shareable Car Charger is compact yet equipped with four powerful 2.4 Amp ports that will quickly charge your iPhones/iPads. Perfect for quick charging on the go.

Built-in Circuit Protection

The GoPower Shareable Car Charger features over-current and circuit protection to ensure that your device is protected at all times while charging.
