

GoPower

Premium Dual Port Car Charger

- * Two 2.4A USB ports for simultaneously charging 2 devices at peak speeds
- * Premium anodized aluminum finish for durability and sophistication
- * Built-in circuit protection keeps your devices safe

For/Pour/Para
Smartphone/Tablet

Compact Power

Compact yet sports two powerful 2.4A ports so you can simultaneously charge two devices at the fastest possible speeds.

One Charger. Two Devices.

One USB port is never enough. Now you and your passenger can charge your smartphones and tablets simultaneously. Arrive at your destination with more power.

Built-In Circuit Protection

This smart car charger features over-current and circuit protection to ensure that your device is protected at all times while charging. LED lights indicate when connected to power and charging.

A Premium Charging Experience

Add some elegance and sophistication to your commute. Constructed of premium anodized aluminum for a sophisticated look and durable feel, the Premium Dual Port Car Charger also provides your devices with a safe, reliable charge.
