Quick Switching Between Devices

MultiSync technology makes it easy for simple one-touch switching between four devices. Just pair and start toggling. Bluetooth 3.0 technology means you don't have to take up valuable USB ports with wireless receivers. Setup is easy, and no installation or drivers are required.

Stay Charged

You'll know when it's time to charge with the integrated LED indicator. Red means it's time to charge soon. Green means its charged. Blue means you're connected via Bluetooth.

Built-In Trackpad

Built-in trackpad for easy scrolling and swiping through webpages. Left click and right click buttons make for easy navigation and eliminates the need to carry a mouse while on the go.

Fold and Go

The Kanex MultiSync Foldable Travel Keyboard is the perfect fold-and-go solution when you need to do some serious typing on your mobile devices. This ultra-slim, tri-fold keyboard easily fits in your bag.
