### Introducing DURABRAID™

DuraBraid™ is a nylon fiber encased cable designed to reduce tangles, increase durability and offers a unique premium look and feel to your daily charge and sync routine. Functional and beautiful.

Charge and sync your Android smartphone or tablet. The premium aluminum finish and DuraBraid™ cable increases durability and offers a tangle free cable solution.

### Convenient Charge and Sync

The Micro-USB Charge and Sync Cable is perfect for charging and transferring data from your Micro-USB enabled device to a desktop or laptop. Simply connect your smartphone to a USB port on your computer.

### Charge Anything. Anywhere. Any Time.

The Micro-USB Charge and Sync cable is a universal charging solution. The Micro-USB cable charges any Micro-USB device (including devices from Samsung, HTC, GoPro, LG and Motorola), in any place (home, work, hotel, etc.) with any charger (car charger, wall charger, or power bank).
