

iAdapt®

6-in-1 Multiport USB-C Docking Station for iPad Pro® 11-in. and 12.9-in. (3rd gen)

- Turn your iPad Pro into a portable workstation
- Slides on securely and seamlessly
- Supports USB-C power delivery
- Adjusts to fit with or without the Apple Smart Keyboard Folio

USB-C Power Delivery

Charge your iPad while connected to the Docking Station so you don't have to worry about losing power while you're working.

SD and Micro SD

Memory card slots transfer data quickly so you can easily manage your photos.

USB 3.0

With data transfer speeds of up to 5 Gbps, easily connect almost any hard drive. Plug in your mouse, keyboard or any other USB powered device.

HDMI 4K

Connect an HDMI cable to mirror or extend your screen onto an external TV or monitor.

Audio

Listen to music with your favorite headphones with the 3.5mm headphone jack.
