Connect Any Micro USB Device to a new MacBook

The Kanex USB-C > USB Micro Cable lets you connect your Android smartphone or tablet to a new MacBook or USB-C ready computer so you can charge and sync at home or on the go. Also connect to an external hard-drive to access and transfer data.

Charge and Sync

The USB-C > Micro USB Adapter lets you charge and sync your Android smartphone, MP3 player or tablet to a new MacBook or a USB-C ready computer.

More Ports, More Connections

Add a Micro USB port to your USB-C computer so you can have all of your devices synced and ready to go whenever you are.

Use the USB-C > Micro USB Cable with your new MacBook to connect a Micro USB supported printer, scanner, mouse, or even USB speakers so you can get more work done, right away.
