

# Universal Power Adapter (5V)

Made for Kanex DualRole

## DualRole + Universal Power Adapter

This Universal AC Wall Adapter from Kanex is specially made for the Kanex DualRole (Gigabit Ethernet + 3-port USB 3.0 Hub). The adapter provides more power to the USB 3 ports.

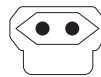

Simply plug in to any standard electrical power outlet either at home or the office. It's the perfect companion for DualRole to boost your productivity.

## Add Ample Power.

If you're using all 3 ports at the same time, or a device that requires more power – like an external hard drive - just plug in the power adapter to give your DualRole some extra juice - up to 900mAh for each port.

## Go Everywhere.

Enjoy the convenience of being able to use your electronic devices in more than 180 countries. It includes a set of international plugs that allow you to connect to most foreign power outlets for traveling abroad.
