## One Touch Quick Switching

With the simple touch of a button, you can easily switch between devices using the one-touch Bluetooth keys. Just pair your devices and start toggling. Bluetooth technology means you don't have to take up valuable USB ports with wireless receivers. Setup is easy and no installation or drivers are required.

## Full-Sized Wireless Keyboard for Mac

The MultiSync Mac Keyboard includes a full numeric keypad to easily enter numbers. Arrow keys are convenient for scrolling through documents and playing games.

Easily access Search, Share, Device and Settings on your Mac or iOS device. Adjust the volume, play and pause with useful media keys. Use the Home, Back, Menu and Email keys on your iPhone, iPad or iPod.
