

4-Port USB 3 Hub

Connect USB 3 Devices

- Adds four SuperSpeed USB 3 ports to a computer
- Up to 5 Gbps transfer speeds to quickly transfer data, movies and music in just minutes
- 10W power port to recharge tablets and other mobile devices

The Kanex 4-Port USB 3 Hub easily adds four SuperSpeed USB 3 ports to your computer, enabling you to transfer movies and music as well as move and backup data at speeds up to 10 times faster than USB 2.0. The hub is backward compatible, hot swappable and can charge select devices. No set up required. Simply plug and play.

Super-Speed*

Use the 4-port USB 3 Hub to connect up to four devices with SuperSpeed transfer speeds of up to 5 gigabits per second. SuperSpeed USB 3 enables users to connect their USB 3 external hard drives, digital cameras, MP3 players and more.

Plug and Play

The Kanex 4-port USB 3 Hub works right out of the box. No set up or drivers required.

Backwards Compatible

USB 3 is fully compatible with USB 2.0 and USB 1.1 devices.

Recharge Power Port

Did you know? Port 1 provides 10W of power to recharge tablets or other devices when host computer is powered down or disconnected from hub.
