

Foldable iDevice Stand 2-Pack

Compatible with iPad, iPhone or other mobile devices

- View your device in both portrait and landscape mode
- Adjustable viewing angle
- Lightweight, foldable, portable
- Compatible with smartphones and tablets*

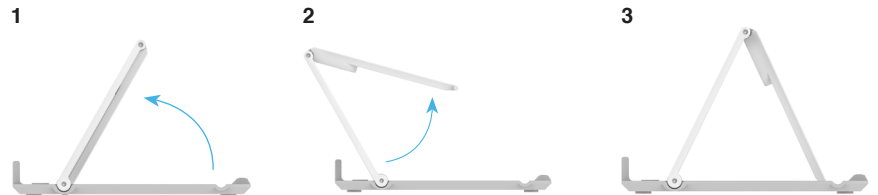

The Kanex Foldable iDevice stand props up your iPhone, iPad and other mobile devices in portrait or landscape mode for viewing or typing. Adjust the angle to your comfort level and fold it away when not in use.

Small Stand. Numerous Possibilities.

The iDevice stand takes up minimal space on any table or desk and comes in a 2-pack, so you can leave one at home by your nightstand and one at the office.

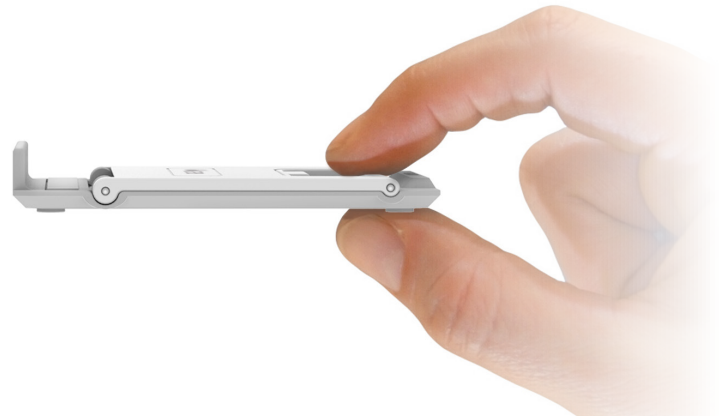

Angle Adjustable and Multifunctional

This sturdy little stand can support your iPad or iPhone in both portrait or landscape mode. Whether you're typing, gaming or viewing, the stand offers three adjustable angles so you can position it to your comfort level.

Fold and Go!

The Kanex foldable iDevice stand is perfect for travel. Take it on the plane or when you're out with the kids to watch movies hands-free. It's slim, lightweight design fits in your bag or pocket and easily packs away when not in use.
