

GoBuddy+

Charge and Sync Cable + Bottle Opener

- Charge and sync cable for your smartphone, tablet, or MP3 player
- Available with Lightning or micro-USB connector
- Small compact design and included caribiner clip for ultimate portability
- Built-in bottle opener

Connected

The GoBuddy+ is a portable charge and sync cable + bottle opener in one. Stay connected and easily charge your smartphone, tablet, or MP3 player at home, in the car or at the office.

Clean

Tangled cables are a thing of the past. Simply slide the connectors out, plug the USB end into your computer, charging adapter or portable battery pack, then plug the other end into your smartphone, tablet, or MP3 player. Easy as that.

Compact

The compact design and included caribiner clip provides ultimate portability, allowing you to charge and sync wherever life takes you. Designed to be lightweight and compact, just attach the cable to your keychain or bag. It won't get in your way and it will be ready for the next time you need it. The built-in bottle opener comes in handy at any event. The added bonus: The built-in bottle opener adds a bit of fun and comes in handy at any event.

GoBuddy+

Connected. Clean.
Compact. Wherever you go.
