

GoPower Watch Stand with Wireless Charging Base for Apple Watch + iPhone

- Apple Certified for use with Apple Watch
- Integrated magnetic Apple Watch charger
- Qi certified integrated wireless charging base charges on contact
- Additional USB port charges another device simultaneously
- Elevates Apple Watch for convenient viewing angle
- Smart, minimalist design – small footprint
- Powered with included DC adapter

This 3-in-1 stand safely charges and displays your Apple Watch, iPhone plus another device all in one place.

Inductive Charging Stand for Apple Watch

GoPower Watch Stand has the same magnetic inductive charging connector that comes with Apple Watch built-in and can charge both 38mm and 42mm models. It also elevates your watch, keeping it protected from scratches.

Smart Design

The low profile, compact design of Kanex GoPower Watch Stand not only wirelessly charges your Apple Watch but can also wirelessly charge your iPhone so you can keep both devices together, powered and ready to go.

Qi Certified Charging Base for iPhone

Your iPhone immediately starts wirelessly charging as soon as it makes contact with the base. No additional cable required!
