One Adapter. No Boundaries.

Many travel adapters can handle voltage and cycle differences, however, the physical plug still remains a barrier. Our 4-in-1 compact International USB-C Travel Adapter allows you to connect to most foreign power outlets supporting an input range of 100-240V.

Go Everywhere. Charge Anywhere.

Enjoy the convenience of being able to charge electronic devices in countries worldwide. The International Power Adapter gives you charging capabilities in more than 150 countries, including plugs from the US, UK, EU and AU.

One Outlet. Multiple Devices.

Power up to four devices at the same time. With three USB ports and one USB-C port, you can stay fully charged, no matter where you go.

Compact and Ready for Worldwide Adventures

The Kanex International Power Adapter's 4-in-1 intuitive design makes it easy to select the correct plug for your power needs when traveling abroad. Easily pop out your desired prong by pushing and sliding the side lever. A blue LED will light up once you are connected to a wall outlet.
