The Kanex Dual Port Car Charger is equipped with one 2.4 Amp port for iPads or tablets and one 1 Amp port for iPhone or Androids. Charge two devices quickly and safely. Includes two MFi Certified ChargeSync cables with Lightning connectors, one for each port.

Compact Power

One USB port is never enough. Now you and a passenger can charge your smartphones simultaneously. Or if you prefer, power-up an iPhone via the 1 Amp port and an iPad via the 2.4 Amp port at the same time.

Modern Charging In Your Car

Featuring a slim and compact body with an LED that lights up while connected. Designed to look and feel as modern as the gadgets it will be charging.

Safe. Reliable.

"Made for iPod," "Made for iPhone," and "Made for iPad" mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards.
