Fold and Go

The Kanex MultiSync Foldable Travel Keyboard is the perfect fold-and-go solution when you need to do some serious typing on your iPad or iPhone. This ultra-slim, bi-fold keyboard easily fits in your bag. And the keys stay safe inside the included protective case and durable bi-fold construction.

Weight: 6.07 oz / 172g

Quick Switching Between Devices

Simply hold down the "Fn" button and toggle through multiple devices by pressing Z, X, C or V. Just pair your devices and start typing. Bluetooth technology means you don't have to take up valuable USB ports with wireless receivers. Setup is easy and no installation or drivers are required.

SYNC  DEVICES

Seamless Connection

This universal keyboard is compatible with IOS, Android and Windows devices and uses Bluetooth 3.0 to wirelessly connect to your device. The built-in rechargeable Lithium ion battery provides you with hours of typing time. Simply plug in the included micro USB cable for fast and easy charging.
