

Portable Battery for USB-C MacBook

- 15,000 mAh Portable Battery delivers one full charge to your USB-C MacBook and multiple charges to your iPhone, Google Pixel C, or any other USB device
- Universally compatible with most mobile devices and delivers multiple charges to your tablet, smartphone, smart watch, and other USB devices
- Charge two devices simultaneously – one via USB-C and one via USB-A
- 3.0 + 2.4A Fast Charging – Charge your devices twice as fast as the average charger
- Premium Aluminum body design and high-capacity battery cells deliver optimal performance
- High-efficiency circuitry design decreases power waste and increase charging efficiency
- Priority charging detection enables pass-thru charging for your devices as well as better protection for the battery
- Built-in circuit protection to prevent over-charging of your devices
- LED battery status indicator
- USB-IF Certified USB-C to USB-C Cable

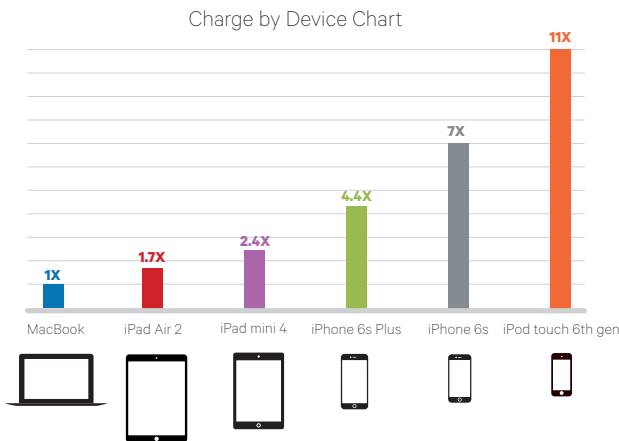

Your Everyday Companion

Introducing the first GoPower USB-C designed to charge your USB-C MacBook on the go! Take this portable battery with you in your backpack or bag and charge your USB-C MacBook and iPhone or iPad simultaneously. LED indicators let you check power levels and built-in safety features protect your device while charging.

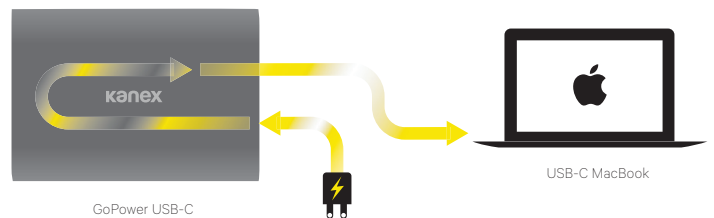

High Capacity, Superior Quality

Packed with 15,000 mAh of power and capable of charging an iPhone 6s seven times, the USB-C MacBook one full time, or Android smartphones and tablets multiple times. The Kanex GoPower USB-C Portable Battery ensures your devices are always charged while on the go!

Priority Charging Detection

Enables pass-thru charging feature. Your devices get charged first, and then the portable battery recharges itself.

Power Management and Protection

The GoPower USB-C Portable Battery features built-in surge protection and smart charging technology to ensure that your device is protected while charging.

Technical Specifications:

Battery Type: Lithium-Ion Polymer
 Power: 15,000 mAh
 Output : USB A Port: 5V / 2.4Amps
 USB-C Port: 5V / 3Amps
 Input: USB-C Port: 2.4Amps
