Pass-through Charging

Expand & Power Your MacBook®

Pass-thru charging allows your MacBook to charge while connected to the hub, so you don't have to worry about losing power while you're working.

Rapid Transfer

The 4 USB 3.0 ports are compatible with practically all your current devices. Just plug and play. With data transfer speeds of up to 5 Gbps, your hard drives will be working at peak condition.

Premium Portable Design

Lightweight and compact, the Kanex 4-Port USB Hub with USB-C was designed to go anywhere you do. The brushed aluminum housing is not only durable but looks great with your Apple devices.
