

# Micro-USB ChargeSync Cable with USB-C Connector Adapter

- \* Convertible cable capable of charging both USB-C and Micro-USB devices via one USB port
- \* Quickly switch between USB-C and Micro-USB
- \* Reversible USB-C connector
- \* Up to 480Mbps of data transfer speeds
- \* Cable Length = 4ft / 1.2m

## One Cable. Endless Possibilities.

Eliminate the need to carry multiple cables for charging and syncing your devices. Charge and sync your USB-C smartphone and with a quick switch, charge and sync any Micro-USB enabled smartphone or tablet with the same cable.

## Reversible Connector

USB-C is quickly becoming the new universal standard. It's user-friendly, reversible connector allows you to connect your cable to your device in any direction. So there is no need to worry about which way to plug in.

## Charge With What You Have

If you already own a USB wall charger, car charger or power bank you can pair it up with the Micro-USB Charge and Sync Cable with USB-C Connector Adapter to charge your new MacBook, Samsung Galaxy S7 edge or Pixel Phone by Google on the go or at home.
