Thunderbolt™ 3 Port Compatible

4K
ULTRA-HD

Introducing DuraBraid™

DuraBraid™ is a nylon fiber encased cable designed to reduce tangles, increase durability and offers a unique premium look and feel. Functional and beautiful.

Connect a 4K HDTV or HD Display to Your MacBook

The Kanex USB-C to HDMI 4K adapter lets you expand your MacBook's screen onto a 4K HDTV or HD Display. View your favorite movies, TV shows and your photo collection in full HD with multi-channel digital audio output.

Ready to Travel

Designed for ultimate quality and portability, Kanex Premium USB-C to HDMI Adapter is ready to travel wherever you go. The premium brushed aluminum finish and DuraBraid cable not only adds durability but style as well, matching perfectly with your MacBook.

Plug and Play

Instantly enjoy your content in 4K UHD. Simply connect your MacBook to your monitor using the adapter – no downloads or drivers needed. The USB-C end is reversible, so it doesn't matter which way you plug it in. And since its compatible with Thunderbolt 3, you can also plug it into your Thunderbolt 3 enabled computer.
