Bridging the Gap

You have plenty of USB chargers lying around. Extend their use with the Kanex USB-C to USB 2.0 Charging Cable. Simply plug the USB 2.0 end of your Kanex Cable into your current USB wall or car charger to start charging your USB-C device.

Beyond Reach

This extra-long cable is ideal in environments where you need some extra range. At 12 feet in length, it can easily reach behind your desk, couch, nightstand and even the back seat of your car.

USB-IF Certified

The cable has undergone rigorous compliance testing and is certified by USB-IF (USB Implementers Forum) to meet all USB 2.0 specifications. This includes all environmental, electrical and mechanical standards, ensuring a reliable, high-quality cable for all of your USB-C devices.
