Apple TV iPhone iPad iPod

Hundreds of Games to Choose From

With a growing number of high-quality controller-compatible games on the App store, the Kanex GoPlay SideKick is the best gaming accessory for your iPhone, iPad or Apple TV.

Portable Play

Boasting a handy compact design, Kanex GoPlay SideKick's innovative, patented protective clamshell case has an integrated stand to prop up your iPhone for the best view during game play.

Use Your Lightning Cable to Charge

The convenient rechargeable battery uses your iPhone's Lightning cable to power up. A single charge provides up to 20 hours of gameplay.

Apple Certified

Kanex GoPlay is Apple MFi Certified, which means it's specifically made for Apple iPhone, iPad and Apple TV so you can expect quality performance and reliability.
