

Thunderbolt™ Cables

- Data transfer speeds of up to 20 gigabits per second with Thunderbolt 2*
- Compatible with existing DisplayPort devices and Thunderbolt 2
- Works with daisy-chained Thunderbolt devices
- Available in 4 Lengths – 1.5FT(0.5M), 3FT(1M), 6FT(2M) and 9FT(3M)

Style Meets Performance

Compatible with Thunderbolt 2 and available in two color finishes - glossy black or polished white - Kanex Thunderbolt cables are the perfect solution to take advantage of your Mac Pro, iMac or PC computer.

Get high-performance data transfer speed for your peripherals, and work with the latest high-resolution displays— like Apple Thunderbolt Display, Mini DisplayPort displays and even the latest 4K HDTV.

4 Lengths to Suit Your Needs

Whatever your Thunderbolt necessities may be, Kanex has the most lengths available for your convenience. The 1.5FT (0.5M) length is ideal for portability, 3FT (1M) is perfect for staying connected to your home desktop. And the 6FT (2M) and 9FT (3M) work great for larger-scale setups and configurations.

Be sure to pick up a couple Kanex Thunderbolt cables to Daisy chain multiple Thunderbolt-compatible peripherals to your Mac - without reducing performance.

Daisy-Chaining the Thunderbolt Display and Thunderbolt Storage

Blazing Fast Speed

Unlike ordinary passive cables, Kanex Thunderbolt cables can send data from compatible peripherals up to 20 times faster than your every day USB 2.0 port. Transfer a full-length HD movie in less than 30 seconds. Back up one year of continuous MP3 music in just a matter of minutes.

The Kanex Thunderbolt cable operates at a rate of up to 20 gigabits per second with Thunderbolt 2*.

*For systems that include Thunderbolt™ 2, users can take advantage of transfer speeds of up to 20Gbps, with support for DisplayPort 1.2 displays, and still daisy-chain up to six devices. Thunderbolt 2 uses the same cables and connectors, and works with existing Thunderbolt PCs and devices.

Technical Specifications:

- Input: Thunderbolt male
- Output: Thunderbolt male
- Data Transfer rate: 10Gbps
- Compatible with all Thunderbolt devices

Measurements:

Master Carton (W x H x L)
243.84 x 165.10 x 444.50 mm
9.60 x 6.50 x 17.50 in

Inner Carton (W x H x L)
104.78 x 139.70 x 221.62 mm
4.13 x 5.5 x 8.73 in

Product Bag (W x H)
120 x 230 mm
4.73 x 9.00 in
