

Travel Bud

International Adapter Kit

- Universal 3-in-1 travel AC wall adapter set
- International adapter capabilities in more than 180 countries
- Ultra-compact design for easy portability

One Adapter. No Rules.

Many travel adapters can handle voltage and cycle differences, however, the physical plug still remains a barrier. Our 3-in-1 set of compact international travel plugs allows you to connect to most all foreign power outlets supporting an input range of 100-240V.

180
Countries

Go Everywhere. Charge Anywhere.

Enjoy the convenience of being able to charge electronic devices in counties worldwide. The Travel Bud gives you international adapter capabilities in more than 180 countries, including plugs from the US, UK, EU and AU.

Compact and Ready for Worldwide Adventures.

The Kanex Travel Bud 3-in-1 intuitive design makes it easy to select the correct plug for power when traveling internationally. The Travel Bud is also uniquely compact so all three adapters pack neatly into our sturdy travel box for portability.

Note: This adapter will not modify the voltage, phase, or amperage of various wall sockets. Please make sure your devices adhere to the power requirements.
