iAdapt®
USB-C to 2.5G Ethernet Adapter

- Instant, reliable high-speed internet access.
- Adds a high-performance gigabit ethernet port to your computer.
- Compact and portable design.

Speed and Reliability

The Kanex Type-C to RJ45 2.5G Ethernet adapter improves the network connectivity of laptops, desktops, and tablets by creating a high performance reliable 2.5Gbps wired connection. Feel free to download large files without interruption.

Premium Portable Design

Lightweight and compact, this powerful adapter was designed to go anywhere you do. The brushed aluminum housing is not only durable but looks great with your Apple devices.
