- Made of shatterproof tempered glass
- Provides a scratch-resistant surface
- Lightweight yet durable design
- Oil-repellant coating
- Maintains screen's clarity and touchscreen sensitivity
- Easy installation

Durable Protection Wherever You Go

Kanex EdgeGlass is a lightweight yet durable tempered glass designed to shield your screen from everyday use. It's scratch resistant, so feel free to throw your phone in your bag without worry.

- Shatterproof Tempered Glass
- Oil/fingerprint resistant coating
- Scratch-resistant tempered glass
- Anti-explosive silicone layer
- Silicone adhesive

Keep It Clean

Oil-repelling coating helps prevent and reduce fingerprints, making it easier to clean.

Crystal Clear

Absolute image clarity and touchscreen responsiveness are still maintained. EdgeGlass has a transmittance rate of 95%.

Scratch Resistant

Scratch resistant tempered glass with a 9H hardness rating helps absorb the impact of an accidental drop.
