The mini Wall Charger is an ultra-compact charger that lets you recharge your iPhone from any outlet. The small form-factor offers versatility and gives you enough space to plug in your other devices.

Fold and Tuck Away

The fold-down plug blades make the mini Wall Charger a must-have traveling companion. Take it with you wherever you may need a charge.

Ultra-Thin Connector

Whether your device's case is bulky or slim, the ultra-thin Lightning connector means you never have to remove your case before charging. These little **SureFit™** connectors are ultra-thin and can fit into most cases.

Apple MFi Certified

Kanex Lightning cables are Apple MFi Certified, which means they're made specifically to fit with your iPhone so you can expect quality performance and reliability.
